

DANIEL EDISON MENDEGORIN

Full Stack Web Developer | Registered Electrical Engineer

I am a dedicated and motivated web developer with a passion for developing user-friendly and responsive web applications. Looking for a challenging position at a progressive company where I can put my technical knowledge to use and expand my web development experience.

EXPERIENCES AND AFFILIATIONS

- **Uplift Code Camp**
Student, 2022- 2023
Key responsibilities:
 - Responsible in providing affordable, high-quality web development code camp
- **UPLB Society of Electrical Engineering Students**
Finance Committee Member, 2019-2020
Sports and Socials Committee Member, 2017-2019
Membership and Internal Affairs Committee Member, 2016-2017
Activity head, UPLB SELES Finals, 2019
Activity head, UPLB SELES Opentambayan, 2018
Organizer, UPLB SELES Alumni Homecoming. 2019
Organizer, UPLB Energy Forum, 2018
Organizer, UPLB Energy Forum, 2017
Key responsibilities:
 - Responsible for promoting science and technology through electrical engineering
 - Responsible for instilling academic excellence, leadership and discipline

TECHNICAL AND PERSONAL SKILLS

- Full stack web development using MERN stack (MongoDB, Express.js, React.js, Node.js)
- Proficient in HTML, CSS and JavaScript.
- Competent with web frameworks such as Bootstrap, Tailwind CSS and Material UI for visually appealing web designs.
- Building and consuming RESTful APIs
- Strong understanding of database management systems using MongoDB
- Basic knowledge in C++, Python, Matlab, and Visual Basic programming.
- Understanding of version control systems like Git.
- Experience in responsive design and development principles.
- Efficiency in code testing, debugging, and maintenance.
- Build meaningful leadership towards self and others through teamwork.
- Excellent verbal and written communication skills, enabling effective and clear expression of ideas, requirements, and technical concepts
- Utilize analytical & critical thinking, and logic-based decision making for an effective outcome.
- Flexible worker and dependable contributor with interpersonal skills committed to excellence and success.
- Passionate for staying updated with the latest web development trends, technologies, and best practices, along with a commitment to continuous learning and personal growth.
